

SCORPION ATHLETIC BOOSTER CLUB, INC.

5235 Mission Oaks Blvd. #675 • Camarillo, CA 93012

www.ScorpionAthleticBoosterClub.com

Scorpion fans, I would like to give a brief update on the Turf Project to which many of you have generously donated.

Your Booster Club has put in hundreds of hours trying to make Turf at Camarillo a reality. Unfortunately, we have come to the realization that it is not possible at this time. The costs of the project far outweigh the funds we have and those that we can raise. Installing Turf for Camarillo needs to be the responsibility of the School District. So at this time we are suspending the project.

The Scorpion Athletic Booster Club worked closely with Assistant Superintendent Dickinson, who since has resigned from the District and held numerous meetings in the Community working to build a Coalition to get the turf project completed. We met with Camrosa Water District, Calleguas Water District, Hellas Turf, Ohno Construction, Camarillo Hotel and Tourism Association, Camarillo Chamber of Commerce, CSUCI and the City of Camarillo. Our goal was to create a model that can then be used by the other schools in the district to get their fields completed. These endeavors were unsuccessful.

At this time, we would like to use some of the funds for projects that will help enhance the Stadium. The first project is to improve the Sound System in the Stadium. This project which will cost \$20,000. We will upgrade a system which is close to 20 years old. Improvements include new amplifiers, new speakers on the home and visitor sides and additional speakers.

We understand that your donations were made to be used for the Turf Project but we are respectfully asking that you allow the Boosters to continue to steward your money and use it in support of Football and other sports at Camarillo High School. The Boosters currently support 24 sports. Your Booster Board is very conservative in our use of the funds and take very seriously our fiscal responsibilities and stewardship of all donations to support athletics at Camarillo High School.

We invite you all to attend a meeting on **Thursday May 25th 6 PM in the Library** where we can answer any questions about where we are and our future plans. If you would like to discuss further or have any questions please contact me at bill.locker@sagenetcom.com.

Sincerely,

Bill Locker
President
